Paragraph that details the subject specific aims of the department, learning and socialization goals

Les élèves acquerront différents repères culturels québécois et ils apprendront plusieurs notions dans le but d'intégrer différentes habiletés en communication orale, en lecture et en écriture. Ces différentes habiletés mèneront l'élève à acquérir ces compétences : *lire et apprécier des textes variés* (lecture), *écrire des textes variés* (écriture) et *communiquer oralement selon des modalités variées* (communication orale). Des examens et des projets seront réalisés par l'élève pour vérifier les acquis théoriques des trois compétences en français langue seconde.

Student Late Work Policy

Students are allowed to submit the next day without penalty. After their one chance, 5% is deducted for each additional day it is late (i.e. as of day 2 being late). Once the assignment in question is handed back to students, no late assignments will be accepted as late.
