Saturday Supplemental Exam Review

December 3rd, 2018.

Dear Parents/Guardians,

In an attempt to help your child succeed and receive their High School Diploma, we have devised a plan to give him/her an extra review for their Repeater History 404, and Repeater Science 444. These courses are all required for obtaining a high school diploma.

We have coordinated extra tutorials, led by teachers/tutors, to help them finalize their studying for these MEES supplemental exams. The dates for the tutorials are listed below.

Saturday January 12th, 2019 – 8:30 a.m. -12:00 p.m. – Science 444

Saturday January 12th, 2019 – 1:00 p.m. -4:30 p.m. – History 404

We hope this will allow your child to be as best prepared as possible to succeed on their upcoming January Supplemental exams. Students are asked to submit the form below in order to be registered for these FREE review sessions.

These tutorials are free, and we encourage ALL students in these classes to attend and take advantage of this extra support. Please return the registration form to your child's respective History or Science teacher by December 18th, 2018.

If you have any questions regarding this matter, please do not hesitate to contact the school.

Thank you for your cooperation,

Mr. J. Vitantonio
Principal

Ms. Caruso
Vice Principal (L5)
