August 22, 2018.

Dear Parents/Guardians,

Following the email sent on August 21, 2018, Les Uniformes Loft is experiencing delays in production, therefore our expected delivery date of August 22<sup>nd</sup>, 2018 will not be met. The school delivery of August 22<sup>nd</sup>, has been postponed. They have informed us that the new delivery for our school will be September 24<sup>th</sup>, 2018 (more details to follow as the date approaches). We understand that this will cause an inconvenience for you as parents/guardians, as well as us as a school beginning this new school year.

We have devised a temporary plan that will hopefully alleviate this situation for all those affected. We encourage all students not affected by this delay to wear their uniform as indicated in the agenda. For all students affected by the delay in delivery, the following guidelines are to be respected for school wear.

### Bottom Options:

Solid navy blue pants

Solid black pants/ solid black jeans (no tears in the jeans)

**No tights, No joggers, No jeggings, No track pants, No Bermuda shorts/shorts, No skirts**

### Top Options:

Solid white polo

Solid white t-shirt

Solid black polo

Solid black t-shirt

### Phys Ed:

Regular t-shirt

Shorts

The above-mentioned items have been selected to allow students to wear items they have at home, while remaining appropriate for school. It should be noted that the school will have school polos available to borrow for the ID pictures being taken on August 28 (registration day). Students will wear these if they do not have a school polo at home.

We apologize once again for this inconvenience that was brought to us by the uniform company.

We hope this will facilitate a smooth start to our school year and we will keep you up to date with the uniform company they are made available.

Thank you for your understanding and cooperation on this matter.
