Dear Parents/Guardians,

Lester B. Pearson High School strongly believes that students with parents who are involved in school activities have better academic performance and a greater sense of community. Volunteering allows parents to have a positive impact on our community and teaches our children that together, growth is possible and differences are overcome when communication is open and respectful.

Volunteers are required throughout the school year for specific tasks and projects. We are looking for those who are available and willing to give of their time and talents. **Please respond by email to Liliana Zarlenga at [lizar@hotmail.com](mailto:lizar@hotmail.com) if you would like to be a part of our volunteer bank and specify which areas are of interest to you.** All volunteers will be added to the EMSB Volunteer list and those who have accumulated five years or more of volunteering are invited to the annual EMSB Volunteer Dinner in April.
